

Bethany

DISTINCTIVE.

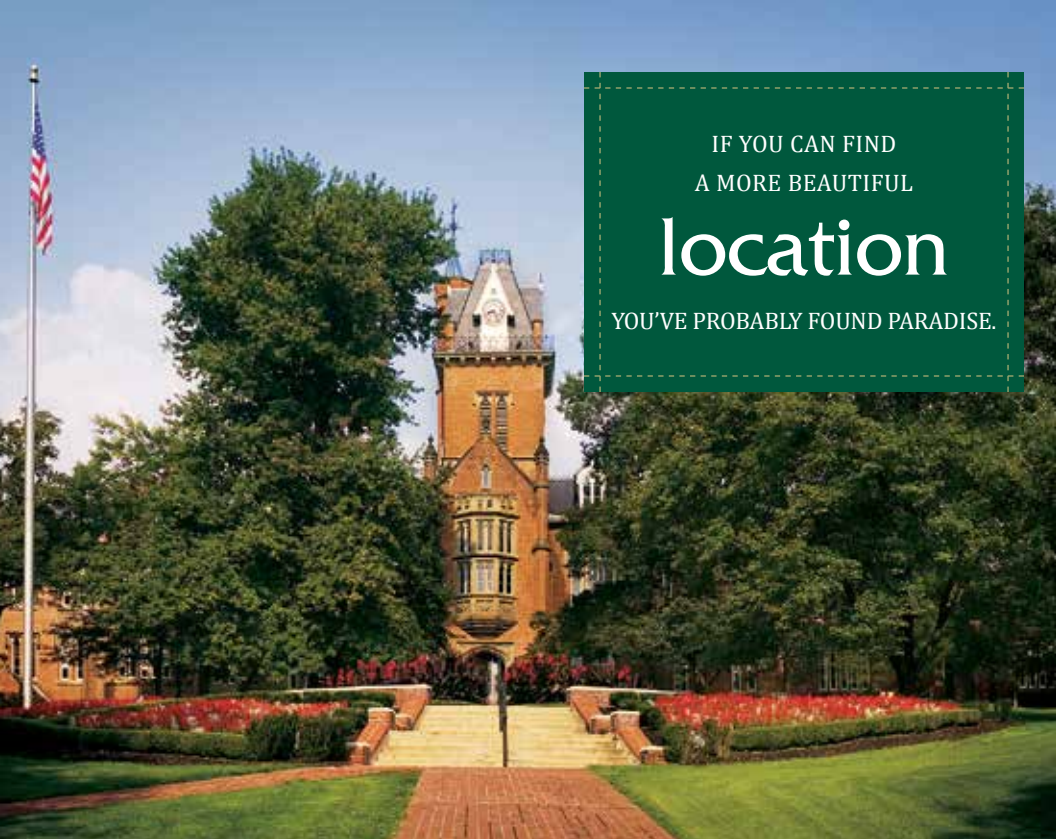

Is the word a tad over-the-top?
Probably. Maybe. But here's what we
mean. We think of you as a human
being with extraordinary potential.
We think you have the ability to be
anything you want to be. And if you
have faith in yourself as an individual,
we'll help you take your strengths
to a whole new level, and you will
succeed. You will be your own person.

You will be distinctive.

Campus

You need to visit here. That's all there is to it. Stand in the middle of the campus, do a 360, and you'll be transfixed. Bethany College is nestled in the rolling hills of the Allegheny Mountains. *The campus is absolutely magnificent*, and stays that way through the four seasons. Though you'd hardly know it, we're an easy 50 minutes from Pittsburgh and a half-hour from Wheeling, WV.

Bethany College is a private, liberal arts college located in Bethany, West Virginia. Founded in 1840, it's the oldest institution of higher education in the state.

WE THINK OF LIBERAL ARTS
AS A

journey

FOR YOUR BRAIN.

DISTINCTIVE

Academics

Every course at Bethany, no matter what the subject, teaches you how to think. English takes your brain one way. Math, another. Fine Arts, yet another. You get the point. And what it all leads to, when you're out in the real world, is the ability to problem solve. *As you will discover, that's everything.*

We have all majors, more than 30 of them, small classes, and the most caring faculty. In short, Bethany is one beautiful, perfect, prestigious, liberal arts college. You should be here.

The Bethany curriculum is unique in caring for individual students and in helping them develop their full potential at each level of learning.

You've really got to meet them. Come for a visit and see a beautiful place to be inspired.

The Visual and Performing Arts Department includes programs in music, theatre and visual arts.

Athletics

That's a metaphor for "we like winning big time!" No matter what your sport, if your high school coaches say you're good enough to play DIII, give us a shout. We have 22 varsity sports, none of them for the faint of heart. *And wait 'til you see our facilities.* They're a testament to the fact that athletics have always been a huge part of the Bethany culture. You will be the very definition of a student-athlete. That says a lot.

The six attributes of a Division III student-athlete: Proportion. Comprehensive Learning. Passion. Responsibility. Sportsmanship. Citizenship.
